MATERIALS

Stabilizer

- OESD Fusible Woven Cutaway
- OESD Medium Weight Tearaway (black, if using dark fabric)
- OESD Perfect Embroidery Press Cloth

Fabric/Notions

- Fat quarter or ¼ yd. of fabric for exterior
- Fat quarter or ¼ yd. of fabric for lining
- 8" zipper (can be longer, will be cut shorter) non-separating, not metal
- Zipper foot
- Embroidery thread

Isacord Thread Colors

2155 Pink Tulip
2508 Hot Pink
2530 Rose
2650 Impatiens
2704 Purple Passion
2723 Peony
4174 Charcoal
5650 Spring Frost
5832 Celery
5833 Limabean
5933 Grasshopper

INSTRUCTIONS

STEP 1

Embroider design. Adhere tearaway stabilizer to fabric and embroider. Leave approximately a 2 - 3" border around design for trimming after embroidering. You may choose to embroider both exterior pieces or just one for this project. Use your OESD Perfect Embroidery Press Cloth to enhance your stitching and eliminate puckers.

STEP 2

Cut fabrics. Cut 2 of each fusible woven cutaway, lining fabric, and exterior (embroidered piece):

6" wide x 4.5" high. Cut a piece of exterior fabric: 1.5" x 4" (use scraps).

STEP 3

Prepare fabric. Take the 1.5" x 4" piece of fabric, fold in half lengthwise. Open fabric, fold raw edges to center (fold). Press Fabric. Then fold fabric in half, yielding a 0.38" x 4" piece. This is will be your zipper tabs. Press fusible woven to exterior pieces.

INSTRUCTIONS

STEP 4

Prepare zipper. Trim zipper end just in front of the large zipper stop **PHOTO 2**, sandwich zipper tab over cut end and sew close to the edge. Trim fabric close to zipper tape **PHOTO 3**. Measure zipper 5" from the end you just sewed. Trim carefully and make sure the zipper head is back far enough to not fall off (you'll have to start over with a new zipper, if so). Sandwich remaining zipper tab fabric over freshly cut zipper and sew. Trim fabric from zipper tape.

INSTRUCTIONS

STEP 5

Sew zipper. Center zipper onto an exterior fabric piece (right sides together) and sew $\frac{1}{4}$ " away from edge using a zipper foot **PHOTO 4**. Repeat with remaining exterior fabric piece on the other side of zipper. Take a lining piece and place it right sides together with exterior piece (zipper will be sandwiched in between). Sew on the same line from previous step and repeat the for remaining lining piece **PHOTO 5**. Press fabrics with wrong sides touching (zipper tape is sandwiched between) and topstitch seams on both sides of the zipper **PHOTO 6**.

STEP 6

Sew bag together. Unzip your zipper. With right sides facing. Put exterior pieces together and lining pieces together. Pin, leave an opening in the lining for turning. Using a $\frac{1}{4}$ " seam allowance, sew, backstitching at the beginning and end.

INSTRUCTIONS

STEP 7

Finish bag. Carefully clip all four corners to reduce bulk. Pull bag through the lining and gently poke out corners. Finish zipper bag by hand or machine-sewing opening closed. Give your bag a good press and it's ready to fill with goodies!

Note: Some designs in this collection may have been created using unique special stitches and/or techniques. To preserve design integrity when rescaling or rotating designs in your software, always rescale or rotate designs using the handles directly on-screen.
